Side story
Jeongho-kun's story
His name is Jeongho Kim.
He recently has a trouble
in his mind.
It's because his best friend,
Mu-Hyeon, has been acting
weird.
Eh ? Again?
What s the matter th s
t me ? I know she s
cocky and all
but she s cute
Her eye
lashes were
too th n
What?!
Her shoulders
were too narrow.
Her hair was too
short.
Her strength was
too weak.
I want her voice
to be more husky
and act a little
more violent.

Mu-Hyeon..., are you wantng a guy ?
Hey !
Dorim !
Come on.. What kind of girl would look like that?
There s one !
The female jjang of our school, Kyeongran Oh !
What are you ook ng at ?

Thick eye brows
Wide shoulders
Sturdy muscles that look as if it's capable of destroying rocks
Lastly long brown hair!
Mu-Hyeon Lee! That is your style?!
What is it?
Nothing. Just that someone's staring.

What? Who s the bitch that was glar ng at you ?
It s not a bitch but a dude And he wasn't glar ng at me He was just staring at me
Yeah ! He must be your fan ! You are strong and kind ! You are so much better than average guys !
Yeah, men are nothing in front of you.
Get some senses w ll you I mean no guy would l ke a grl me
He must have fallen in loev with you but he's too shy to confess ! He must have been stalking you , jiang!
Maybe he s your fan jiang
Eh? Fan? Don't be absurd
What are you talking about ! We w ll show you ! Let me get h m
Mu Hyeon let me ask you
Mu Hyeon are you ser ous th s t me?
I told you !
Do you really not have a worry?
Really no ?
I sa d no ! What s the matter with you ?
Is that bandit your type of woman ?
Why h de then?

Hey ! Why are you ...
Poor guy ....
Why are you looking at me like someone who's going to die ?!
I am sorry, my friend. I see that your type is a muscular girl. And yet, I introduced you a girly girl. I must have been suffering a lot.
But you must forget about Kyeonran Oh !
Eh?
Ah ha ! My b ade wants some fresh b ood today
She is the legendary jjang (boss) !
Get a hold of yourself ! Unless you want to s nk down to bottom of a river with cement all over your body forget about her ! I w ll get you a nice country girl
Hey, you who s btch ng over there
- Kyeongran Oh, 16 years old - 100 win and zero loss With her insanely powerful fists, she has united the area at only age of 15. She's often called as "A bandit in a skirt" Men fear her and women adm re he She has a ded cated group who serve her as f God
Why are you tal k ng about her?
Come with us

The jjang wants to see you !
Confess now, little one.
confess what?
I hear you are tapping on our jjang. How dare you.
I've never ...
Now you even dare to lie ?!
I.. I did ! And I am sorry ! I was just curious ! Please forgive me !
Jeong-ho Kim's the name, right?

I apologize.
You see, my friends are quite violent for obvious reasons.. All I said was you look at me. I did not mean to cause you such a trouble
You may leave now

Jjang you are gonna let him go like that?
It's not a big deal. Why beat up a guy who hasn't done anything wrong?
Besides
Um excuse me
I know this will be a strange question But do you have a boyfriend?
Huh? No
What a weirdo
I see good-bye
Hey
Are boys cute nowadays?
Eh ?

She s a much better person that I expected
I take back what I said before She wasn't that of a bad person
You have a good taste Do you want me to lay a bridge for you ? She s free
Hey, Mu-Hyeon !
Shut up
Who cares if that fat bitch has a boyfriend or not ? Bug off !
How could you ! I didn't know you were that kind of person
I hate you !
Hey ! I've been kept asking you What does she have to do with me at all ?
I pity her He's so inconsiderate
Fat bitch ? Fat bitch ?

He-yeong Jang,
A class rep in my class...
She has got a very straightforward personality
At first I thought my brother got a new habit of taking on young boys. I am so glad that wasn't the case
Why would I be interested in another pen's? I already have one
And this director Jang's sister
This setting is too common
What kind of setting is this?
Making one of the characters around me blood connected to him.
What is the author thinking? Doesn't he know what quality control is for?
Besides, if she finds out who I am
I don't want to be publicly known as a pervert
01 ist-ha

Dohun Yu s the name?
Here she comes !
I am sure that she is gonna laugh at me ! She is, after all that director Jang's sister !
Thanks.

Besides he is 19 years older than you!
I can't believe she is doing this and I cannot also believe that director Jang is allowing this to happen!

The author needs to work on a better plot

So, you came after Dorm ?
Why couldn't you come with her ?
She she said she wanted to go
Even so
Do you really have any idea how hard it is to find someone without any clues ?
And to make it worse you sent a girl alone
How lonely could she have been
y yes
Do you realize that she had her luggage stolen ?
Sending a mere girl alone to this country Can you really call yourself her brother?
She s at faut too
Why should she hide the fact that her brother s here ?
I wasted my time
Why move out ?
Her home is my place
Why stay outside when you have a perfectly nice home She may want to leave but I won't let her
Well since I am here and found father s friend I think she will be moving out

And it seems you aren't doing so good yourself
So I won't let her leave
And calling that man a friend s wrong to begin with
He s not even trustworthy
Bisu Ha
You seem to know no border between rudeness and being a kid
You wanna die ?
I only said truth
Are you going to look after Dorm then ?
No
See ?
If you are not going to look after or take any responsibilities go stand in a corner
This all began because you kept on hiding truth from me
Why don't you come to my house I hate to see her feeling depressed because of you

I see him here pretty often nowadays
Ah welcome Mr Lee

How come ? He is your son. Don't you want to meet him?
He managed to grow up fine without me. Why would he want to see me now ?
That's mean ! Do you realize how absurd you sound ?
Why would children need any kind of reason to see their parents?

You will make a good mother
Sukhun?
I mean it
Just because you give birth to your children that doesn't mean you become a parent
it really doesn't work that way

Have you seen Mr. Yu around ?

I admit that I've been acting a little weird though
My mind hasn't been stable and I seem to be seeing things

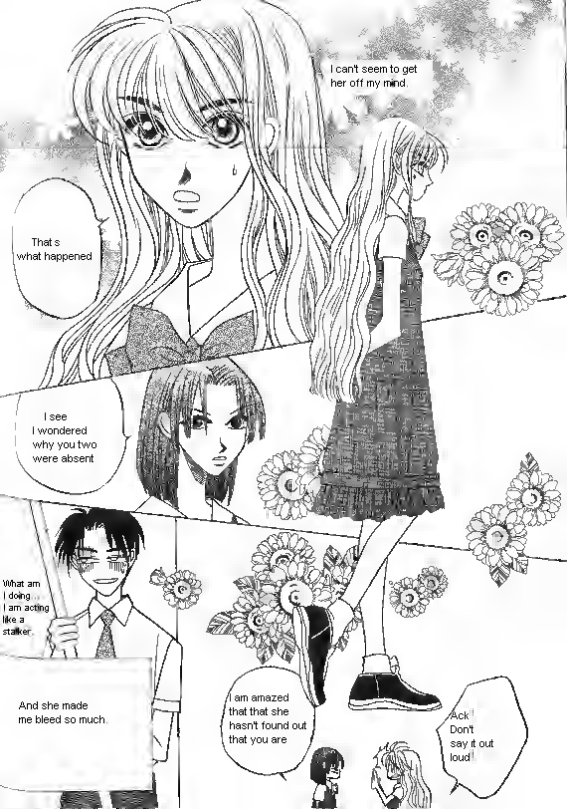
There's only one reason for me to act so unlike usual self



I can't seem to get her off my mind.
That s what happened
I see I wondered why you two were absent
What am I doing... I am acting like a stalker.
And she made me bleed so much.
I am amazed that that she hasn't found out that you are
Ack! Don't say it out loud!

Well it was my mistake So I have no complains
Why did you call me out ?
Cute
Do I need a reason to see you for a bit ?

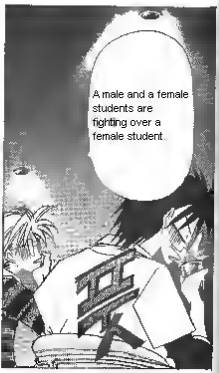
Hey ...,
I am about to
go nuts
because of
my job.
What a weirdo.
You refused
to be a chief
doctor because
you like kids.
Now you regret?
As you know well,
my goal was to be an
educator. I became a
doctor because it was
my father's wish.
I had no choice but
to get a job as a
school nurse. But, you
see ..., there is a case
that's bugging me hell out
of me right now.



A male and a female
students are
fighting over a
female student.

Rule # 1

People generally won't dare to
split at smiling faces
Smile and approach !

You are not the one, Yeong-Cheol is.
Ah, he had to leave. He became sick. Besides, his family is going through some problem lately.
So, we exchanged our spots.
He actually begged me. Anyway, let's get along well!
Will you do it or not ?
I, I will !
I see
Kkyack !

He.Yeong Jang
Hey !
Get off her !
Who do you think

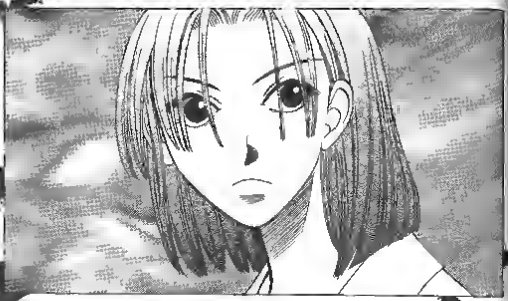
Get your
hands off
her !



Rule #2

Rival is your mortal enemy !
Get rid of him (o he n ths case)

What ?
Who the hell are you to judge whatever I do to her ?
It's none of your business
It sure is!
She doesn't like it
Get your hands off her !
Ah~ Ha~
I get it~
I get it~
!!
See? He is a good example. Don't you go hang out with a guy like him. He will gladly eat you.
Ok, fine ! Please get off me !
What the hell are you talking about ! You ARE the dangerous one !
I will not let you drag her to the dark side !
I will not let that happen !
How childish
Are you a kid ?
Stop speaking like a hero and bug off

She's from England, no ? Who knows.. She might be.
Oh ! Mu-Hyeon is getting aggressive.
Why ... Why do I have to be involved in this embarrassing scandal ?!

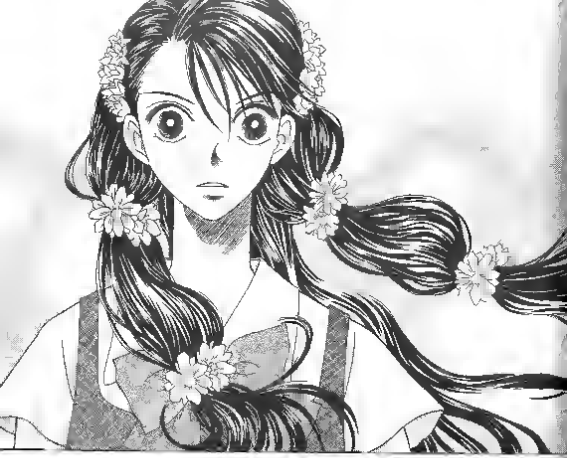
You look kind of pale. Is something wrong?
Bisu ...
Ahah father and other stuff around me I am a little unstable r ght now
I searched the area after school everyday I can't seem to f nd anyth ng Well he s that kind of person
No clue yet huh
Not at all

Whenever we played Hide & Seek, I had always become a seeker.
It's weird, isn't it.
He always hid nearby me and I always couldn't find him. It was as if he didn't exist there.
Like that, he was a master hider.
The only person who was able to spot him easily was mom.
I am sure Mr. Lee told him that I was looking for him. Yet, he refuses to make a contact
That's the kind of father he is.



Is it because they are a twin?
I sometimes mitake Dorm as Dohun

?
But her brother seemed to have left stronger impression than the sister
Is it because of gender ?
Do you want to go on a picnic ?
Weather has been smooth lately So let s go to a park all together Your brother and Je Uoo wasn't it ?
Th s Sunday
Eh? Even my brother?

I won't take no for an answer.

This is for Dorim ! I don't want her to fall into wrong hands !
Shut up ! You don't know anything ahout her. Who Dorim needs right now is me !

Don't make me laugh!
She would never choose a weirdo like you!
Ha!
Then let's ask her. Let's see who Dorim really wants!
Fine!
Let's ask her right now!
That was what I should have told you!
If you really care for her, give up on her right now.
She will choose no. There's no doubt.
Get out of your delusion!
How can you possibly make her happy!
If you really care for her, give up now!
Dorim will choose me!
